Welcome to Framecom

Your source for high quality manufactured wood components. We are committed to helping your construction project run smoothly and efficiently from the first cut to the last nail. From corbels to handrails, we know components and we know how to help your project run more efficiently and with a lot less waste. If you'd like to learn how we can help you streamline and clean up your construction site, give us a call at 408-592-6187.

"We build and install custom arbors, bridges and trellises on our upscale landscape projects. Framecom, with their C & C machine have been able to create very intricate and detailed wooden elements for our job." *Michael Bonfante, Bonfante Nurseries, Inc.*
